

Process Safety

2015 - Barcelona, Spain

To whom it may concern,

The **TÜV SÜD Iberia, S.A.U.** (hereinafter its commercial brand TÜV SÜD Process Safety) located in Barcelona (Spain) with the fiscal number A81670614.

CERTIFIES

that TÜV SÜD Process Safety, acting as REACH Only Representative for the company under Universal Unique Identifier Code (UUID) **ECHA-a734dce4-5828-4888-8602-ae772be4a9f7**, registered the following substance according to REACH regulation:

EC name	bis(2-ethylhexyl)phthalate DEHP
EC number	204-211-0
CAS number	117-81-7
Registration number	01-2119484611-38-0012
Tonnage band	>1000
Registration date (mm/dd/yyyy)	11/30/2010

Following the REACH regulation, the Registration Number provided above guarantees that the REACH registration process has been completed successfully and, therefore, the referenced substance can be introduced into the European Union member states countries. In terms of REACH, importers are downstream users, with the obligations to inform the Only Representative about the uses and annual imported tonnage of the substance.

OR Certificate validity:

This certificate is only valid if next conditions are strictly fulfilled.

1. It is accompanied by a **Tonnage Certificate** obtained through the Swissi DM website www.swissiesp.com. This certificate is necessary to guarantee that the maximum tonnage band limitation is fulfilled.
2. It is used all through the year 2015.
