NAN YA PLASTICS CORPORATION

TAIRILIN Bottle Grade PET Resin

Type No: 2101

Tairilin 2101 is a homopolymer resin with nominal intrinsic viscosity of 1.01dl/g. This resin is designed to have high melt strength and high melt elasticity which is suitable for foaming application. Especially, Tairilin 2101 possesses lower carboxyl eng group which ensures the better resistance to hydrolysis. The anti-hydrolysis property imparts the longer serving life of its article made thereof. Furthermore, Tairilin 2101 has inhibited level of Diethylene glycol which could have the advantage of better dimensional stability and thermal stability. The higher melt strength and elasticity give the advantage of good foamability to create lower foam density. Tairilin 2101 resin is produced from a state of the art continuous melt state and solid state polymerization lines, and is combined with a strict quality monotoring system. The production facilities are approved by ISO9001, ISO14001 and OHSAS 18001 systems to confirm the outstanding quality of the product.

2101 resin conforms to FDA Regulation 177.1630 and latest European Directives.
2101 resin is an environmental friendly product with the advantage of being recyclable.

Technical Data Sheet

Items Units		Value	Test Method				
Intrinsic Viscosity dl/g		1.01 ± 0.02	Refer to ASTM D4603				
Melting point ຶ (252 ± 3	ASTM D3418				
Ash Content		≦ 0.02	Ignition				
Moisture content		≤ 0.30	Oven				
Acetaldehyde		≤ 1.00	Gas Chromatography				
Carboxyl end group		16 ± 10	Titration				
Bulk Density		0.89 ± 0.05	JIS K-5101				
Pellet size c		128 ± 3	Weight scale				
Fines pp		< 100	Sieve				
L value	_	94.0 ± 2.0	ASTM E1164				
b value	_	7.0 ± 1.0	ASTM E1164				
The following are provided as suggesting value for reference							
Dew point	${\mathbb C}$	-40					
Air flow	ft ³ /min	1 / per pound chip per hour					
Residence	hr	7~5					
Temperatu		160 ~ 170					
emperature	°C	280 ~ 300					
Resin storage conditions		Store PET bag in dry and clean warehouse.					
at converter		Consume PET resin within 1 year from packed					
		date.
